Re: OUR 04/18 – “Extension of Powers to Enable Control of Postal Prices outside the Reserved Sector”

Dear Sir

Initially we misunderstood the Proposal to Modify the License issued to Guernsey Post Ltd, taking it to be an increase in the Reserved Sector from £1.35 to £1.60. However, John Buckland has cleared this matter up in our minds and as we see it now the modification to enable the OUR to regulate GPL's prices where dominant outside the current Reserved Sector is a positive move.

Currently the majority of our parcels fall higher than the current Reserved Sector price and we would therefore be interested in the OUR having more control to make changes in this area if it deems this necessary.

We therefore support document OUR 04/18, the Extension of Powers to Enable Control of Postal Prices outside the Reserved Sector.

Yours truly,

Garrick Jones
