## **Extension of Deadline for Responses to Consultation**

In April 2003, the Office of Utility Regulation published a consultation paper<sup>1</sup> entitled “Corporate Numbering: Oftel Consultation on New Options for Businesses” following the publication of a consultation paper issued by the UK Telecoms Regulator, Oftel. The OUR invited interested parties to respond to Oftel’s consultation paper and requested that commenting parties copy their response to the OUR, including any direct comments on any issues raised by the consultation that are specific to Guernsey.

Following Oftel’s decision to extend the consultation period, the Director General wishes to notify interested parties of the extended deadline for submission of responses to this consultation from 20th June 2003 to 31<sup>st</sup> July 2003.

This Information Notice replaces all previous communications regarding the deadline for submission of responses to OUR document 03/11.
