- (f) For the purposes of this Condition, a "Fixed-Term Contract" shall be defined as a contract involving the supply of telecommunication services by the Licensee with a term of more than 2 months.
- (g) For the avoidance of doubt, any reduction in call and/or text and/or data allowances provided to a Subscriber under a Fixed-Term Contract for a telecommunication service will constitute an increase in the unit price charged to the Subscriber and thus a circumstance to which sub-conditions (a), (b) and (c) would apply. However, for mobile telephone contracts only, increases in charges for calls, texts and data not provided within an inclusive bundle shall be deemed not to be an increase in the unit price.
- (h) Where costs incurred by the Licensee in the provision of a telecommunication service increase significantly, and such increase was not reasonably foreseeable, then the Licensee may apply to the GCRA for, and the GCRA may grant, a waiver of the requirements of this Condition in respect of Fixed-Term Contracts for that telecommunication service.

- 19.4 In the absence of agreement between the parties in accordance with Condition 19.3, the terms of Access including time limits for completion of any agreement shall be determined by the GCRA.¹⁵

- (b) threaten the integrity, security, or interoperability of the Licensed Mobile Telecommunications Network in a material way,

provided that the Licensee informs the Other Licensed Operator, in writing, with a copy to the GCRA forthwith justifying its decision to refuse Interconnection or its intention to terminate Interconnection services under an Interconnection agreement.  - (b) restrict increases in any such charges or to require reductions in them whether by reference to any formula or otherwise; or
 - (c) provide for different limits to apply in relation to different periods of time falling within the periods to which any determination applies.
- 27.5 If the GCRA, after consulting the Licensee and such other persons as it may determine, is satisfied that any price is in breach of the Regulation Law, the Telecommunications Law or this Licence, the GCRA may, by issuing a direction, require the Licensee to bring that price into conformity with the Laws and/or the requirements of this Licence.

The UK Plan is published on Ofcom’s website and amended from time to time.
7. For the purposes of this Guernsey Numbering Scheme the UK Plan should be read as setting out the telephone numbers available for allocation in the Bailiwick and any restrictions on how they may be adopted or used in the Bailiwick subject to the following parts being excluded:

13. Licensees can submit a new or amended application (in accordance with the process set out in paragraph 9 above) for an allocation or reservation of telephone numbers in the UK Plan for use in Guernsey at any time after they have addressed Ofcom's concerns and Ofcom shall determine that application in accordance with paragraph 10 above.
